KSPS strives to seek diversity and excellence in people, ideas and services by seeking candidates for our Board of Directors, Community Advisory Board and our workforce that embrace the values that we live each day in our work.

KSPS Diversity Goals

- Conducting annual formal diversity training programs for management and appropriate staff.
- Striving to find and recruit a diverse slate of candidates considered for nomination to our Board of Directors and our Community Advisory Board.
- Posting of all full time open positions to a wide range of sources while actively seeking diverse candidates.
- Ensuring that the recruitment process for any open senior management position has a diverse pool of candidates.
- Providing internships opportunities to students that represent diverse groups.
- Hosting and/or attending minority or other diversity job fairs, as opportunities arise
- Continually monitoring and evaluating the progress and success of our diversity initiatives.
- Having nondiscrimination and harassment policies and applying them consistently throughout the organization.
