## Mississippi Public Broadcasting

---

### LICENSING FEES

**For-profit organizations** and **For-profit projects** chartered in Mississippi will be charged licensing fees equal to fifty percent (50%) of that charged to non-Mississippi for-profit organizations and projects.

**Mississippi government agencies** will not be charged licensing fees, unless the intended use is related to a product that will be distributed for a price, in which case, they will be charged at the fifty percent (50%) rate.

Proof of Internal Revenue Service filing category is required to qualify for the non-profit fee rate. Profit or Non-profit status is determined by the status of the entity requesting the use.
