

WSRE invites teachers to register for free ed tech webinar: Hot Tech Tools for Today's Classrooms

Pensacola, FL, October 1, 2014—The WSRE Educational Services Department invites all teachers (K-12 and college) to register for the free webinar, **Hot Tech Tools for Today's Classrooms**, which will be held Tuesday, October 14 from 5 p.m. to 6 p.m. Renowned education technology expert Leslie Fisher will host the webinar, presenting a dynamic, show-and-tell session about the latest technology tools for education, most of which are available to teachers at no cost.

The webinar is presented by PBS LearningMedia/Florida, a service of the Florida Public Broadcasting Service in partnership with PBS member stations throughout the state.

Registration is free and available online at wsre.org. For more information, call WSRE Educational Services at 850-484-1236.

About WSRE, Viewer Supported PBS for the Gulf Coast

WSRE is a Public Broadcasting Service member station that is locally owned and licensed to the Pensacola State College Board of Trustees operating as a service of Pensacola State College. WSRE has served the needs of Gulf Coast communities through programming, educational services and outreach since 1967. WSRE produces, acquires and distributes programs that address local interests and reflect the diverse cultural, political, geographic and demographic characteristics of its audience. WSRE Educational Services connects teachers, parents, caregivers and children to PBS' rich educational resources. For more information, visit wsre.org.
