### 1. Activity: **Upper Level Category Job Postings in Job Banks or Newsletters of Media Trade Groups**

**Date:** Ongoing  
**Description:** Upper level managerial positions are listed in regional and national industry-related outlets (such as the Corporation for Public Broadcasting Jobline, CURRENT (industry newsletter), NETAonline, PBS Connect) to broaden the scope of recruitment for these positions to job candidates who might not otherwise be aware of such opportunities, in addition to regular local job postings (see 2. below).

### 2. Activity: **Participation in Pensacola State College Job Announcement and EEO/Diversity Protocols**  
(Other Activities Designed to Further the Goal of Disseminating Broadcast Employment Opportunity Information)

**Date:** Ongoing  
**Description:** Pensacola State College has established protocols and practices to encourage hiring of minority and women candidates for open positions. These include supervision/coordination of outreach efforts at the VP/EEO Diversity Officer level, publication of the college’s commitment to equal opportunity in all vacancy announcements, and inclusion of a statement of commitment to the colleges’ diversity and equal access/equal opportunity in all managerial job descriptions. Annual evaluations for staff include demonstration of understanding and commitment to the college’s efforts to enhance diversity, and, for senior management, accountability for effort and success in achieving the goals of the college’s Equity Plan. Job announcements are posted to various print and web advertising mediums that service and support higher education. To attract qualified applicants, announcements are posted to job specific venues, higher education advertising sources, minority recruitment sites, local advertising resources, and the college website.

### 3. Activity: **Television Production Intern Program**

**Date:** Ongoing  
**Description:** WSRE continues to offer internship opportunities to college students to learn the basics of television production, promotion and business operations in a real world setting.

### 4. Activity: **Publication/Promotion of Station Diversity Policy**

**Date:** Ongoing  
**Description:** WSRE continues to educate its management staff in issues related to cultural and ethnic differences among citizens in our local community, and in our workforce. To this end, WSRE management collectively developed, and has put into station policy, a formal statement of station’s goals in this regard. This policy advocates for inclusiveness and diversity in the station’s management, staff, and programming and outreach activities.
5. **Activity:** Formal program of Management & Staff Training/Education in Diversity and EEO Issues  
   **Date:** Ongoing  
   **Description:** Pensacola State College offers a robust and continual offering of workshops, seminars and classes focused on increasing awareness of racial and cultural differences for staff and management. WSRE has made senior management attendance a priority.

6. **Activity:** Booth Participant, Naval Air Station Whiting Field- Fleet & Family Support Center’s Job Fair  
   **Date:** August 21, 2014  
   **Description:** Participate in a full day job fair reaching out to military personnel and their families.

7. **Activity:** Host & Participate, Pensacola State College Fall Job Fair  
   **Date:** September 26, 2014  
   **Description:** WSRE hosted Pensacola State College’s Student & Career Services at the Amos Performance Studio. Staff operated a booth providing information about PBS and WSRE-TV’s volunteer/internship position openings.
