Outreach Activities

Ongoing	EEO initiative #	Activities
	viii	Ongoing internal training efforts designed to enable station personnel to acquire skills that could lead them to qualify for higher level positions within the station This has mostly occurred in the Production and Education Services departments through special assignments and by one-on-one coaching by both junior and senior management
	xii	ThinkTV regularly lists upper-level category openings in major job banks, newsletters, and trade groups(ex: Current, PBS job board,CPB job line) whose memberships and readership includes substantial participation of women and minorities.
	x	Through its Educational Services Department, ThinkTV continues to offer to area parents and educators approximately ninety (90) Ready to Learn Workshops per year. ThinkTV hosted groups totaled 60 students at the ThinkTV studios to tour Master Control and the Main Studio, learned about how to connect with STEM World, and even to see receivers and transmitters up close. ThinkTV's STEM world also had an interactive table at Yellow Springs Math and Science Night at Mills Lawn School, which was attended by 350 kids and family members. ThinkTV was on hand to work with Antioch College students as they delivered STEM content to 65 kids. Our interactions in the community and schools and universities reach kids and families of all socioeconomic, ethnic, and racial backgrounds
	v	ThinkTV had the services of 1 intern in the Communications Department learning and being mentored in the world of printed and web based communications related

to Public Television broadcasting. Additionally, ThinkTV had 3 interns who worked in The Production Department, learning and being mentored about TV production.

- vii** ThinkTV supports the scholarship program sponsored by the Ohio Association of Broadcasters by posting the availability of such a program, offering assistance to individuals in completing the application process, and by discussing the scholarship opportunities with those interested in pursuing broadcast careers
- iv** The Chief Operation Officer has spoken at Chamber of Commerce luncheons about ThinkTV and presented to the Culture Works Board, and the SOITA Board along with participating in STEM events to show the role that ThinkTV plays in STEM
- x** In February of 2018 the Mgr. of Educational Media presented ThinkTV to 75 educators within the ThinkTV viewing area
